

Ground Shipping in 3 Days or Less to Anywhere in the Country

Frozen Fulfillment is located in Kansas City, Missouri, quite possibly the best location for ground shipping within continental US. Thanks to Kansas City optimal location, we are able to ship anywhere in the continental US within 3 days via Ground Service. This is, obviously, of critical importance for time-sensitive products such as frozen and refrigerated foods.

And with our shipping partners working closely with us, we can provide very competitive rates, timely delivery and trustful services.
