## Value Added Services

In addition to our fulfillment services, we also offer value added services:

- Kit Assembly (gif boxes)
- Product Labeling
- Repacking bulk products into Retail Packaging

Our packing and fulfillment rooms are regularly inspected and meet or exceed all sanitary requirements for handling and packing food. Our facility also has a USDA-approved packing room dedicated to handling meat items.

Specialized labor is available at \$30 per hour, please Request a Quote customized to the specifics of your project from our sales department.

### Custom Packaging

We can also develop custom packaging to fit your requirements, whether it is a specialy shapped styrofoam box to house your products or a printed cardboard box to enhance your brand image.Â

We can handle many specific requirements and we welcome your special projects. Try us.
